RE: GLEN STEGER V. LONG ISLAND RAILROAD COMPANY
24 Civ. 2730 (MMG)

Dear Judge Garnett:

I am plaintiff's counsel in the above-entitled case and write with consent of defense counsel to respectfully request that the Court adopt the dates proposed in the parties Proposed Case Management Plan (ECF#9 and #9.1) and cancel the initial conference schedule for Tuesday June 18, 2024.

I will be out of the country on vacation and will not be able to attend the conference in person or virtually. The parties have many similar cases together and do not anticipate any issues herein. Therefore, we ask that Your Honor cancel the conference and schedule a status conference at a time convenient for the Court. Alternatively, if the Court wants to conduct an initial conference, I ask that it be adjourned to a date after my return on June 24, 2024. If the Court adjourns the conference, rather than cancelling it, the parties jointly request that it be converted to a virtual appearance rather than in person.

We thank the Court for its consideration of this request.

Application GRANTED. The Initial Pretrial Conference scheduled for June 18, 2024 is ADJOINED *sine die*. By separate Order, the Court has approved the parties' Case Management Plan and Scheduling Order. A Post-Fact Discovery Conference has been scheduled for **Tuesday, November 19, 2024** at 9:30a.m.

SO ORDERED. Dated June 13, 2024.
